Chess On The Web

The following chess websites provide useful information about chess events both in the U.S. & around the world:

www.chessbase.com: My personal favorite site for news. I check this one out every day.

www.chesscafe.com: Lots of articles about playing better, mixed in with historical items as well as just general information. Nice video area too.

www.chessvibes.com: A little bit of everything that is going on in the world of chess.
